#### **Pre-Bid Questions:**

1. Will night or weekend work be required for this contract?

Night or weekend work is not required for this contract.

2. Who will approve the utility adjustment scratch sheets?

For SAWS adjustments, the City will approve utility adjustment scratch sheets for payment.

For CPS Energy adjustments, the contractor will be required to contact CPS inspector after adjustments have been completed. CPS inspector will give contractor scratch sheet for it to be included with Primelink invoice.

3. Will the contractor have to provide documents after contract is expired to verify manhole relocations?

The contractor will provide documents and scratch sheets after utility adjustments are completed to the City and CPS Energy for verification. The City will handle coordination with SAWS. Coordination with CPS Energy will be required throughout project.

4. What is the timeline for this contract?

TCI tentatively plans to take this contract to City Council the first week of August 2016 for approval. **There will be projects on this contract that need to be completed prior to September 30, 2016.**

5. Will the contractor received additional days to their contract for inclement weather?

Please refer to section 4.3.6 Claims for Additional Time of the General Conditions.

6. Will liquidated damages be assessed for each individual task order or for the contract as a whole?

Please refer to form 060 Supplemental Conditions for information on liquidated damages. Liquidated damages will be assessed on a task order basis as each project will be issued a separate task order.

**Notes:**

1. Refer to the Special Conditions for Task Order Contracts section of the General Conditions. This section has been recently added which has information specific to task order contracts such as this contract.
